

# An Evening of Comedy and Magic

at the Eichelberger Performing Arts Center, April 9th, 2010 at 7:00 p.m.

We are pleased to announce that the York Adams Parenting Aid Council has merged with the Exchange Club of Hanover whose national project is the Prevention of Child Abuse.

The Evening of Comedy and Magic at the Eichelberger Performing Arts Center **Friday April 9, 2010** is the 11th year we have sponsored this Show. With community support we have been able to help prevent child abuse. We do this by providing grants to community organizations in the York and Adams county region that are helping helping families create healthy, nurturing environments for their children.

*Hosted by  
R.G. Smith*

Our producer, director and Master of Ceremonies has been busy making sure that the show continues to provide you with the world's greatest entertainers.

This year R.G. presents a colorful, surprising magic, physical comedy, juggling, mime, comedy, a great dog act and more great squeaky clean comedy for the whole family!

R.G. is still very active in the entertainment field and continues to travel extensively for that purpose. He recently attended the world championships of magic (FISM) held in Beijing, China.

The Hanover Exchange Club oversees any 501[C][3] donations. Official registration and financial information of the Hanover Exchange Club Charities Foundation Inc. may be obtained from the PA Dept. of State by calling within PA 1-800-732-0999. Registration does not imply endorsement.

## The Reed Sisters

The Reed Sisters, Jessica, Shayna and Mandy have amazed audiences all over the world. They have been featured on the cover of the International Brotherhood of Magicians' monthly magazine, "The Linking Ring."

Just recently, they returned from performing in France. They have combined their own individual award winning acts to form an act that they call "The Sister Act." In this high energy act they combine illusions, comedy and drama to make it fun for all ages. Their charismatic on-stage presence makes this the perfect family act for this great family show. From Eaton, Ohio to our stage, please welcome The Reed Sisters!

## Ardan James

The Animated Illusionist will provide us a great start to our show. Ardan James has been a featured performer in the Las Vegas review, World's Greatest Magic Show, has opened for such stars as Randy Travis, Kevin James, Howie Mandel and Ray Romano; and, has performed in over 40 countries around the world.

His skills as a ventriloquist, mime, juggler and magician are intertwined into what makes a great entertainer. Ardan is just that. As MAGIC Magazine said, "The audience plain and simple, loved Ardan."

## Stoil and Ekaterina

To add international flair to our show this year, we are proud to present the artistry of Stoil and Ekaterina. Originally from Bulgaria, this husband/wife team combines magic and the very popular art of "quick-change."

Stoil was trained as a magician, Ekaterina trained as a ballerina. They have settled in the United States and now work everywhere from Las Vegas casinos to major theatrical events around the globe.

We have never had such an exciting act of this type in our show; so, get ready for an all new entertainment experience. And, don't look away or you will miss one of the many instant changes that most people find hard to believe.

## Jessie and James and Mutts Gone Nuts!

Get ready for some laughter as the comedy duo, Jessie and James, light up the stage with their slapstick, juggling and tightrope routines. That's just the first set!

Then, add in six rescue dogs and you'll be rolling in the aisles with laughter while they present the Mutts Gone Nuts Show.

Since 1985, Jessie and James have brought their unique blend of comedy and circus arts to audiences from Las Vegas to Tokyo. The husband-wife comedy team spent three years with Lee Greenwood at his theater in Pigeon Forge, TN, and then spent seven years as a feature act at Dolly Parton's Theaters in Myrtle Beach, SC and Orlando, FL. Now, they are spending the weekend with us. Enjoy!
